

Pure wood charter 2016

declaration for suppliers

Decospan is making a binding commitment to its customers and the wood market that we only buy and sell wood and wood products that do no harm to others and the environment. To meet this commitment, we need the full cooperation from our suppliers. Hereby, we outline the basis of our commitment and ask you to sign this declaration as a sign of your acceptance and full support.

1. The supplied material does not originate from controversial or illegal sources.
2. The supplied material is harvested in respect with the national laws, in respect with traditional and civil rights and the national labor conditions. The organization is committed to occupational health and safety regulations (OHS), at minimum, the organization shall appoint OHS representatives, procedures and training of staff on OHS.
3. Protected and endangered species, including requirements of CITES, shall be respected.
4. The supplied material is not harvested in forests where high conservation values are threatened by management activities.
5. The supplied material shall not originate from conversion of forests to other vegetation type, including conversion of primary forests to forest plantations.
6. The supplied material shall not originate from wood harvested in forests in which genetically modified trees are planted.
7. To assure legally harvested wood, according to the EU Timber Regulation, any required information about the purchase, shall be communicated with Decospan NV, including, but not limited to, scientific name of wood species and country of harvest (or more specific location details if required by legislation).
8. Upon request of Decospan;
 - a. The supplier will provide Decospan with necessary information to identify the forest management units of the raw material and the whole supply chain relating to the supply. Supportive documents will be needed here in order to reduce the risk to be negligible.
 - b. The supplier will enable Decospan to carry out a second party or a third party inspection of his operation as well as operations of the previous suppliers in the chain.
9. We declare that we do not participate in the following illegal activities during wood transport and wood trading:
 - a. Trading in logs with export ban or conflict timber.
 - b. Failure to pay appropriate royalties, taxes or fees associated with the wood's harvest, transport or trade.
 - c. Incorrect reporting of species, identification, volumes and value of traded wood, labels or other administration.
 - d. Non-compliance with legislation of the country of harvest relating to trade and customs.
10. We will not involve in any kind of violation of any of the ILO Core Conventions, as defined in the ILO Declaration on Fundamental Principles and Rights at Work, 1998.
